

Year 9 and 10 Electives 2023

Students need to consider their subject selections for Semester 2. They are required to choose their first three preferences in each elective line for Semester 2. Students will have until Tuesday 13th June 2023 to complete their choices.

All students will be notified of their allocated classes for Semester 2 before the end of Term 2 – changes to allocated classes will only be made in certain circumstances e.g. an injury meaning participation in a practical subject can no longer continue.

Notes:

- Please refer to the 2023 Stage 5 Subject Handbook for more information when choosing subjects.** (This can be found on the School's website under the Parent Portal.) Students are advised to speak with their current teachers and Advisor to ensure that they are choosing appropriate electives that complement what they have studied so far. Students are not allowed to study a course they have previously completed in Year 9 or 10 (with the exception of Languages and Music).
- In courses with high numbers of interest, preference will be given to students in Year 10 (2023).
- Students wanting to study French Continuers, Japanese Continuers or Music 2 in Year 11/12 should study a subject related to these courses each semester during Years 9 and 10.
